Dear Laconia Middle School Students, Families, Staff, and Community,

It is with great excitement and gratitude that I join Laconia Middle School as your new Principal for the 2026-2027 school year. As I begin my first year at Laconia Middle School, I look forward to getting to know our students, building strong relationships with families, and collaborating with our outstanding faculty and staff. Together, we will continue to create a school where every student feels valued, challenged, supported, and inspired to reach their fullest potential.

Middle school is an exciting and important time in a student's life. It is a place where young people discover their strengths, develop confidence, build meaningful friendships, and prepare for future success. At Laconia Middle School, we are committed to providing a safe, inclusive, and engaging learning environment where academic excellence, character, and personal growth are equally important.

I believe that the strongest schools are built through partnerships. Open communication and mutual respect between school and home are essential to student success. I encourage families to stay involved, attend school events, communicate with our staff, and work alongside us as partners in your child's education. Together, we can provide every student with the support and opportunities they deserve.

As a lifelong educator and coach, I believe every child has unique talents and limitless potential. My goal is to foster a positive school culture where students are encouraged to be curious, resilient, responsible, and kind. I am committed to supporting our exceptional teachers and staff as we continue to provide engaging learning experiences that prepare students for the path toward the Portrait of a Graduate.

I am excited about the future of Laconia Middle School and the many opportunities ahead. Whether you are a returning family or joining us for the first time, I look forward to meeting you and working together to make this an outstanding year for all of our Sachems.

Thank you for the warm welcome. It is a privilege to serve as your Principal, and I cannot wait to see all that we will accomplish together.

Go Sachems!

Sincerely,

**Daniel Wyborney**
